Showered with supplies

Chelsea McDonald was selected by the Westlake Office Max to receive a \$1,000 classroom supply donation through the Adopt-A-Classroom program.

OfficeMax representatives surprised McDonald, a new 1st grade teacher at Bassett, last week with the supplies and resources in her classroom.

Congratulations!

Helping the Maasai

LBMS 7th grade science teacher Dan Grigson and his Environmental Club (Eclub) are partnering with the Cincinnati Zoo to raise funds for the Maasai in Kenya.

The area is experiencing a severe drought. A lack of food and teacher salaries have forced the closure of schools across Kenya.

The Eclub pledged to donate proceeds from the sale of Eclub products to Kenya. Original music, CDs, books, bracelets, belts, earrings and videos created by students will help reopen schools and feed children.

Grigson spent time in Kenya, Africa, last summer working with the Massai. To learn more about the project, visit http://web.me.com/danielgrigson/LBMS_Environmental_Club_Home_Page/E-Club_for_Africa.html or email grigson@wlake.org.
