

Around the Schools

... a publication for and about Westlake City Schools employees

Employee Health Screening

WCS and Medical Mutual are teaming to offer a free health screening for all school employees, spouses and their dependents over age 18 who participate in our medical plan. There is a \$46 fee for anyone who is not a medical plan participant. The screening will be held Tuesday, Oct. 13, from 7am to 6pm at the Board Office.

There are five stations in the health screening, including a non-fasting finger stick to measure total blood cholesterol levels, HDL and glucose. results take about 5 minutes. You will have your height, weight and body mass index, waist circumference and blood pressure taken. At the last station you can review your results with a nurse health educator.

Appointments last about 20 minutes. Register beforehand on MedMutual.com and complete the Health Risk Assessment prior to your appointment.

To schedule an appointment call Vicki Beck at x. 7300 by Oct. 7.

Draft standards

The Council of Chief State School Officers and the National Governors Association Center for Best Practices released draft common core standards for English language arts and mathematics.

Ohio has been participating in the Common Core Standards Initiative with 50 additional states and territories. The public comment period ends Oct. 21. To review and comment visit www.corestandards.org.

20/20 Vision Committee reconvenes

The district reconvened the 20/20 vision Committee last week to provide an update on the facilities process and expand committee membership to further advance the master facilities planning project.

Business, staff, administration and community representatives will be added to the committee to provide further input into the final draft of a plan that will specifically outlines the district's facilities goals for the future. Check back on our web site at www.wlake.org/facilities for updates on this process.

Continuing education

Ashland University has partnered with Virtual Education Software inc. to offer graduate level continuing education courses for K-12 educators on CD-ROM or online. Visit <http://www.virtualeduc.com/e-announcements/ashland-university/ashland.htm> for updated fall course offers.

New medical cards

Medical Mutual will issue new cards to all users during the month of October. These cards in no way reflect any changes in coverage. They simply look and read a little differently than your current card. If you do not receive a card by Oct. 31, contact Human Resources Director Mike Laub at laub@wlake.org. Your old card CAN still be used to process claims until you receive a new card.

WHS recycles

Did you know?

The Westlake High School PTSA recycles empty computer cartridges, both laser and ink jet, as well as old cell phones and black berries. Anyone who would like to donate them to the WHS PTSA can send them over to WHS office marked PTSA computer recycling. The PTSA receives cash and/or paper in exchange for the cartridges.
